My online booking calendar makes it possible for you to schedule an appointment with us anytime you wish. You will also receive an email reminder of your appointment. The first time you use the system you have to register and you will receive a password by email. You may later change this password to something easier to remember.

## **How to Change your Username and Password**

### **Step 1**

On the top left of the next screen select "My Account" and "Profile"

### **Step 2**

Scroll down this page to the Username and Password boxes. You may change your username and password to anything you like, but be sure to make note of it. Select "Change Username and Password" and then "Continue".
